Sir:

In response to the Notice Regarding Drawings mailed January 10, 2005, Applicants hereby submit replacement figures 1-25, (twenty-six sheets) on good quality A4 paper.

In accordance with the directives of the form PTO-948, the use of shading on Fig. 18 has been corrected, and this figure is now numbered. (Note that for clarity, the subparts (A)-(C) are now on separate sheets). Likewise, we have also corrected the line quality and legibility of the drawing features for Figs. 2, 4, 17, 18, 20 and 21. Finally, we have removed the titles from all figures, as instructed.

Respectfully submitted,
